Although Moody's necessary second are reasonable, cannot available on request. Credit ratings, TPI and TPI Leeway shown in this PO are as of publication data. (note 2) This assumes the Covered Bonds rating is not constrained by the TPI Also to the extent rating assumptions change following a downgrade or an upgrade of the Issuer, the necessary OC stated here may also change. This is especially significant in the case of CR assessments of A3(cr) or Baa1(cr), as the necessary OC following a 1 notch downgrade may then be substantially higher than the amount suggested here as market risks are considered more critically by Moody's at this time. In any event, the necessary OC calculated to be consistent with the current rating under Moody's expected loss model. However, the level of OC consistent with a given rating level may differ from this amount where ratings are capped under the TPI framework and, for example, where committee determines under from this amount where ratings are capped under the TPI framework and, for example, where
